## CHAIN & CABLE FLUID PENETRATING OIL

A superior, cleansing, non-gumming penetrating oil for wire rope, chains, cables and general lubrication. Prevents rust and corrosion.

**PART NO: LUBL0135-063**

## GEAR SHIELD EXTRA HEAVY

Tough, tacky, extreme pressure lubricant developed for the lubrication of open gears, slides, pins and other applications where adhesive lubricant is needed.

**PART NO: LUBL0152-063**

## MARINE & AUTO GUARD

Multi-purpose penetrating and fogging oil. An excellent "wet start" product. Spray on wet plug wires and distributor cap. Provides excellent moisture displacement properties. Prevents rust and corrosion.

**PART NO: LUBL0774-063**

## SPRAY LUBE A WHITE LITHIUM GREASE

Super multi-purpose, white lithium-based grease of medium density. Sprays like a fluid, congeals to a grease. Excellent for latches, locks, hinges, tools, and other hard ware.

**PART NO: LUBL0034-063**

## BIODEGRADABLE PENETRATING OIL

Eco-friendly, bio-based, biodegradable (Pw1), lubricating oil for general lubrication. Provides a long lasting protective film that prevents friction, wear, rust and corrosion.

**PART NO: LUBL0721-063**

## X-357 EXTREME PRESSURE LUBRICANT

Extreme pressure lubricant that penetrates and adheres. Water resistant and unaffected by temperature extremes. For use on pintle hooks, slide axles, open gears, fifth wheels and more. Contains moly-disulfide.

**PART NO: LUBL0149-063**

## METAL WORKING FLUID

A specially developed product that was designed for metalworking operations. Excellent for drilling, tapping, cutting and grinding.

**PART NO: LUBL0185-063**
