

MULTI-VISCOSITY SUPERIOR ENGINE PROTECTION NO MATTER THE OPERATING TEMPERATURE

SUPER DUTY MOTOR OIL

- » Specifically formulated to meet or exceed all new car manufacturers' warranty requirements
- » Protects domestic and imported vehicles, and equipment powered with either gasoline or diesel engines including turbo-charged and super-charged
- » Protects equal vigor both new, modern, close-tolerance engines and older, high-mileage engines running in a wide range of operating temperatures and conditions
- » Meets or exceeds the stringent standards of API SM/CD-ILSAF GF-4 and ACEA A5/B5, A3/B4, A3/B3, A1/B1/C3, C2, and C1
- » Exceeds the stringent lubricating performance requirements of worldwide engines
- » Formulated to exceed standards of the Thermal Engine Oil Stability Test (TEOST MHT) and the Ford M2C 930-A requirements, superseding M2C153-H
