

# BI-METAL HOLE SAWS

## T3 TECHNOLOGY™

50% LONGER LIFE  
2X MORE DURABLE

### IMPROVED METAL CUTTING PERFORMANCE

- » Durability improved and tooth loss minimized with increased wall thickness
- » Penetrate metal with ease with tooth design optimization

### FAST, EFFICIENT CUTTING IN WOOD

- » Remove more wood for fast cutting with sharper, larger teeth

### EASY PLUG REMOVAL

- » Speed Slot staircase design for fast, easy plug injection
