

Weatherhead T410 Hose Crimper

Crimp hydraulic hoses from 3/16" to 2" 1 & 2 wire and 4 & 6-spiral

Features:

- Fast, quiet, and easy to use
- Crimps from 3/16" to 2" hose and 1, 2, 4, and 6-wire hose
- 1hp, 3450 RPM electric motor
- 5000 PSI hydraulic 220v pump
- 2.5GPM at 750 PSI and .5GPM at 3500 PSI
- 115/230 vac, 60hz, single phase

Benefits:

- Will crimp most hoses and fitting styles
- Fast set up time
- Minimal maintenance
- Easy hose insertion
- Fast cycle time
- Minimizes training and mistakes

Tooling Included: *Instruction manual also included*

PART NUMBER:	DESCRIPTION
T-441	220V 2-Stage Electric Pump
T-410-4CN	430 'U' Series N/S Collet 1/2" I.D.
T-410-5CN	430 'U' Series N/S Collet 3/4" I.D.
T-410-6CN	430 'U' Series N/S Collet 1" I.D.
T-410-7CN	430 'U' Series N/S Collet 1-1/4" I.D.
T-410-8N	430 'U' Series N/S Collet 1-1/2" I.D.
T-400-2C	'U' Series Collet 1/4" I.D.
T-400-3C	'U' Series Collet 3/8" I.D.
T-400-4C	'U' Series Collet 1/2" I.D.
T-400-5C	'U' Series Collet 3/4" I.D.
T-400-6C	'U' Series Collet 1" I.D.
T-400-12	'U' Series Collet 1-1/4" I.D.
T-410-10	Black Spacer Ring
T-410-11	Silver Spacer Ring
T-410-41	Yellow Spacer Ring

*This machine has been reconditioned, and all of the electrical, hydraulic and mechanical systems are in very good condition! We will include an operations manual with the equipment.

Capacity: 3.16" I.D fiber braid through 2" 6-spiral hose

Price: \$2,999.00
